

STRETCH OUT TO CHRISTCHURCH

Almost every major exercise facility, and hundreds of people working in the fitness industry in Christchurch are AFFECTED BY THE EARTHQUAKE. We want to do our bit to support our fitness colleagues in Christchurch, so are holding the following events:

All funds will be sent to the NZ Register of Exercise Professionals (a non-profit body) to support group trainers and instructors to continue to operate and offer classes and sessions to their clients. No money will be used for administrative purposes nor will any money be given out as a grant to any individuals - all funds will be used to support initiatives for group trainers and instructors.

All funds and donations can be made to REPs Earthquake Account: **12-3148-0121312-01**.
Please include your name or facility in the reference fields.
