

Les Mills REPs Registration First Time Application fees

- Fee A - First Time Application or expired registration fee - \$57.50. Waived at for those that are re-registering during the re-registration period, and for those applying to REPs with International Portability from a full partner country register.
- Fee B - The Annual fee for REPs Registration – see table below, when selecting more than one level the applicable fee is the fee for the highest level.
- Fee C - Optional Urgent Processing Fee - \$50.00 - 5 working days processing time.
- Fee D – Optional Yoga Verification fee \$168.00 – to verify a Yoga Teacher who holds knowledge and skill equivalent to a 200 hour type qualification. This fee would only be applicable to the first time you apply for this level once successfully confirmed for this level this process would not be required again in the future.
- Fee E – Optional Independnet Verification fee \$168.00 – to verify a NZ University Degree with an exercise focus when you degree is not one in our list of recognised qualifications OR you hold a qualification not automatically recognised by REPs and have been approved for this process. This fee would only be applicable to the first time you apply for this level once successfully confirmed for this level this process would not be required again in the future.

Invoicing Les Mills

For those operating at Les Mills during the re-registration period your first time application can be included in the group invoice to Les Mills. You must have the ‘Special Code’ to be include in the group invoice for your application – if you do not have the code, contact your Les Mills manager. Outside of this period payment can be made directly to REPs unless otherwise requested by your manager.
